Spring Break: 6:00 pm Saturday to 6:00 pm the following Saturday

Memorial Day: 6:00 pm Friday preceding Memorial Day until 6:00 pm Monday.

In odd numbered years (i.e. 2009, etc.) the non-custodial parent shall have visitation on the following schedule of holidays:

July 4: 6:00 pm July 3 until 10:00 am on July 5.

Fall Break: 6:00 p.m. the day preceding the first day of Fall Break until 6:00 p.m. Sunday

Christmas: 6:00 pm on day school is out until 12:00 noon on December 26.

The holiday visitation schedule set out above is to be observed whether or not it coincides with the regular every other weekend visitations schedule and is in addition thereto. However, it is intended that the holidays alternate between custodial and non-custodial parents. Therefore, on those occasions when non-custodial visitation is ordinarily scheduled on a holiday set aside to the custodial parent, the non-custodial parent visitation shall not take place.

**III. Special Visitation**

With respect to Father's Day and Mother's Day, if the father is the non-custodial parent, and if Father's Day falls on a weekend not regularly scheduled for paternal visitation, he shall have visitation on Father's Day from 12:00 noon until 10:00 pm. If Mother's Day falls within a weekend of the father's visitation, he shall return the children to the mother by 12:00 noon on Mother's Day. If the mother is the non-custodial parent, the reverse shall apply.

**IV. Summer Visitation**

The non-custodial parent shall have summer visitation for four (4) weeks, dates to be as agreed by the parties. If the parties cannot agree visitations shall be from June 5th at 9:00 am until June 19th at 6:00 pm and from July 15th at 9:00 am until July 29th at 6:00 pm. The summer visitation is in addition to the every other weekend visitation which shall continue throughout the summer.

It is important to be aware that this visitation schedule is for the purpose of providing assured minimum amounts of visitation between non-custodial parents and child. Visitation should exceed the number of occasions set out herein if possible.

In addition, liberal telephone communications between non-custodial parent and child are encouraged and should occur.

It is also important that each party keep the other apprized of the well being of the children while the children are in their care and keeping.

Further, neither party shall harass the other during the periods of visitation.
